"Well, you didn't get the yellow fever, did you?" asked his companion.

"No," he said, "I didn't get the yellow fever, but I came near turning yellow from fright."

Many amusing incidents marked the advent of the home coming, and all expressed a hope that the next time contagious disease broke out anywhere they would be at home at the time. The officials of the different steamboat and railroad lines expect a large increase in business now since all ports are open to Norfolk.
